

Battle of Ideas

Student competition for Global Development

Develop an idea that moves the world, work with experts and have a chance to win up to 7500 euro.

Do you have an original and creative idea that contributes to more sustainable development in the world? Do you like to work with other students from various disciplines and countries? Do you want to share your ideas with experts in the field of international development?

Then join the Battle of Ideas!

- Step 1** Create a multidisciplinary and international team of 2-5 students (min. 2nd year bachelor students and master students from universities and universities of applied science)
- Step 2** Visit the **kick-off and matchmaking event on 26 June in Utrecht**
- Step 3** **Pick your theme** (Food, Water, Security and Rule of Law, Sexual and Reproductive Health and Rights, Inclusive development)
- Step 4** Develop a creative and new idea
- Step 5** Submit your proposal before 29 August and get selected for the finals
- Step 6** Work on your proposal with experts at **WOTRO's Forward Thinking Conference on 15 October 2014**
- Step 7** Compete with others and win **1500 euro for each team member!**

Interested? Visit www.nwo.nl/battleofideas or follow us on [facebook.com/thebattleofideas](https://www.facebook.com/thebattleofideas) for more information and to register for the kick-off and matchmaking event on **26 June in Utrecht**.

The Battle of Ideas is a competition of WOTRO Science for Global Development, a division of the Netherlands Organisation for Scientific Research. WOTRO programmes and funds development-oriented research on global issues, including poverty alleviation, global health, ecological sustainability, and global equity and justice.
